No. 3 Armoured Train Group.
27 FEB 1942

HEADQUARTERS,
15th (SCOTTISH) DIVISION,
HOME FORCES.

26 Feb 1942.

Dear *Baczkowski,*

Maj-Gen A.F.P. Christison, M.C., Comd 15 (S) Division, directs me to convey to you and your officers his appreciation for the various demonstrations you staged during the C-in-C's visit.

He realises that the Armoured Train only arrived back from Darlington very shortly before the visit, and that much work was required in a short time to ensure that all went so well at the C-in-C's visit.

Will you please convey to your officers, the Divisional Comd's thanks for all you and they did to make the inspection the success it was.

Yours *sincerely,*

Maj J. Baczowski,
