times, as well as to stay in Poland ~~until~~/for *30 days*.....

You may enter Poland before *20/8 1960*.....through the
following border points...*all allowed!*.....

You may leave Poland through the following border points
.....*all allowed!*.....

Upon arrival in Poland, you are required to

- + 1/ report within 24 hours at the Registration Office
- 2/ register in person at the District or City Headquarters of the Militia within three days with two photographs
- + 3/ report your departure within the last 24 hours of your stay at the Registration Office

/+ These formalities may be attended to at your hotel/

Upon every change of residence you are required to report your arrival and departure.

For a private visit, you must have a return ticket before going to Poland. If this is not taken, it will be necessary to stay in Poland, until your family in Great Britain sends a ticket to Poland for the return journey to Great Britain.

Failure to comply with the above requirements shall render any further journey impossible, while failure to register may prevent you from leaving until you have complied with the duty of registering.
